## Before You Register for a Test

Before you register for a test, make sure you do the following:

- Check your [state testing requirements](#) to see which test(s) are required for certification
- Know where you'd like to send your three free score reports, and make sure you know the state, agency or institution's deadline for submitting scores.
- Have your payment information ready. You can pay by credit/debit card (American Express®, Discover®, JCB®, MasterCard® or Visa®), [PayPal](#) or [voucher](#).
- Read [The Praxis Series™ Information Bulletin](#).
- If you reregister for a paper-delivered test before you know the results of a prior test, and subsequently receive a passing score for that test, you will automatically receive a full refund. You do not need to submit a request for a refund.

If you need accommodations because of disability or health-related needs, or if your primary language is not English and you need extra testing time, please review the [Praxis Test Accommodations](#) procedures. For some types of accommodations, you may need to register by mail or by phone instead of using this online registration system.

By clicking the "I Agree" button below, you agree to the conditions concerning test administration, fee payment, and score reporting in [The Praxis Information Bulletin](#) and to ETS's [Terms and Conditions](#) and [Privacy and Security Policy](#). If you do not agree, you cannot proceed with your online registration.
