## Course Guide

Course: MU 109 Basic Ukulele

1. **Department:** Social Sciences and Fine Arts

2. **Purpose**

This course is designed to introduce students to the Hawaiian musical instrument known as the ukulele. This ukulele course will take students who have had little or no previous experience in playing a musical instrument, and give them the ability and confidence to play basic chords and several songs on the ukulele. Students will learn the history, development, styles, parts, tuning, care and maintenance of the ukulele, as well as the fundamentals of music theory such as notes, scales, rhythm, timing, and chord families. This practical, hands-on course will focus on strumming various ukulele chords and singing songs while playing. Students will also gain the knowledge and skills to continue their learning path on their own after completing this course.
