

Northern Marianas College
Board of Regents Policy

SUBJECT:	Miscellaneous Policies	EFFECTIVE:	June 27, 2024
SECTION:	Series 8000	POLICY NAME:	Artificial Intelligence
POLICY NUMBER:	8008	WASC Senior Commission Standard/Policy:	

Northern Marianas College recognizes the transformative impact of Artificial Intelligence (AI) on society. AI applications, specifically generative AI models, have become easily accessible and are rapidly being integrated into various fields and industries, including in education.

College employees and students are responsible for the safe and ethical use of AI technologies within the College, including for academic enhancement, research and innovation, and workforce development in order to promote and foster innovation and learning in line with Board of Regents Policy, College Procedures, NMC's mission, the strategic master plan, and the curriculum.

The President shall establish administrative procedures and guidelines to foster and require responsible, ethical, transparent, secure, and equitable AI use within the College.
