Course Guide

Course: ED 493 Community Education Practicum

1. Department

School of Education

2. Purpose

This course provides the education student who does not intend on teaching in an elementary or middle school setting an alternative to student teaching that best serves their career goals. This experience connects educational theory and practices via a community independent study or internship of the student's professional area. This course practicum prepares students to work in an educationally related field using the School of Education's core curriculum to improve provided related services.

3. Description

A. Recommended Textbook(s) and Related Materials

Occasional photocopied materials as necessary.

B. Contact Hours

1. **Student/supervisor meetings**
2. **Lab:**
3. **Other:** 640 practicum hours (16 weeks)

C. Credits

1. **Number:** 12
2. **Type:** Regular degree credits

D. Catalogue Course Description

This course provides the education student who does not intend on teaching in an elementary or middle school setting an alternative to student teaching that best serves their career goals. Prerequisite: Students taking ED 493 must have successfully passed PRAXIS I and II in their respective concentration areas, completed all required core course, general education, and education courses with a grade of "C" or better or permission of the Director of the School of Education. English Placement Level: EN 202, Math Placement Level: MA 132. (Fall and Spring)

E. Degree or Certificate Requirements Met by Course

ED 493 is an alternate practicum course for education students not pursuing a teaching certificate.
