Barbara K. Merfalen 5/1/15
Dean of Academic Programs and Services Date
1. **Department**  
   Business

2. **Purpose**  
   This course prepares the students for the basic principles of effective Human Resource Management. Focus is placed on situational analysis and issues that Human Resource (HR) leaders must face on a daily basis. From the characteristics of a changing workforce, measuring effectiveness, training, and professional development to learning about the ethical process, and compensation to employee relations. Case studies will be integrated into most of the key areas in managing and developing the human resources of the organization. This course will also cover the big picture that affects day-to-day HR functions.

3. **Description**

   A. **Required Textbook and Related Materials**  
      Required:  

      Readability level: College Level

   B. **Contact Hours**  
      1. Lecture: 3 hours per week / 45 hours per semester  
      2. Lab: None  
      3. Other: None

   C. **Credits**  
      1. Number: 3  
      2. Type: Regular Degree Credits

   D. **Catalogue Course Description**  
      This course provides students with the skills needed to manage people in the workplace. The course includes a review of academic, theoretical and research components which represents new knowledge evidence, and viewpoints in the field of HR. In addition, this course offers simulation through work environment through role playing, identifying and solving HR problems. The professional focus will help students in preparation for certification in the HR profession. Course prerequisite: Must complete 60 credit hours to maintain junior level. English Placement Level: EN202. Math Placement Level: MA 161. (Offered: Fall).
E. Degree or Certificate Requirements Met by Course
A "C" grade or better in this course satisfies a core course requirement in Northern Marianas College Bachelor of Science in Business Management.

F. Course Activities and Design
Course activities include lectures, case studies, peer-reviewed articles, discussions, group activities, presentations, homework assignments, tests, quizzes, and a final exam.
