

## Nursing Assistant Certificate Training Admission Guidelines & Cost Breakdown Summer 2021

*For interested applicants/individuals who **ARE NOT** a student at NMC:*

1. The student must apply to the Northern Marianas College through our **Admissions Application**. The application can be found at the Office of Admissions and Records or on the college's website ([www.marianas.edu](http://www.marianas.edu)) and costs \$25 for resident-status individuals and \$50 for non-resident status individuals. The application requires individuals to **submit an official high school or high school equivalency transcript and a copy of a valid, government-issued photo ID**.
2. The student must schedule a date for the English and Math Placement Tests with the Isabel Matsunaga at the Testing Center (237-6774). Each placement test is \$25 for both resident-status and non-resident-status students. Individuals must be placed in EN 095 for English and MA 091 for Math.
3. The student must submit a completed **Physical/Health Evaluation Form**, which can be filled and completed in the private clinics around the island. The health evaluation form must validate vaccinations for *measles, mumps, rubella, tetanus, and hepatitis B*; you must also provide results of current PPD skin test (current = two years).
4. All requirements must be fulfilled prior to authorization to register for the NU 095 Nursing Assistant course. Once all documents and requirements have been reviewed and met, the individual will then be authorized by the Nursing Instructor to register for the course.

*For interested applicants/individuals who **ARE** a student at NMC:*

1. The student must be at the EN095 and MA091 level or above.
2. The student must submit an updated **Physical/Health Evaluation Form** which can be done in the various private clinics on island. The health evaluation form must validate vaccinations for *measles, mumps, rubella, tetanus, and hepatitis B*; you must also provide results of current PPD skin test (current = two years).
