Date: 02/03/2021

Language & Format Review Specialist
Date: 12/23/2020

Academic Council Chair
Date: 02/02/2021

Dean, Learning and Support Services
Date: 02/02/2021
1. **Department**
   Business

2. **Purpose**
   Financial Accounting I provides students with the knowledge to build a basic financial statement. It will also give the student the ability to analyze financial statements. These skills are useful in related business courses and for operating a small business. This course will add to their quantitative understanding of business fundamentals. This course is required for all Business Administration majors.

3. **Description**
   This course provides students with basic quantitative skills to build a basic financial statement. Journal entries will be taught but not stressed to give the student an orientation to business language. Calculation principles used in preparing a business plan for a new business are introduced in this course. English Placement Level: EN 095. Math Placement Level: MA 091.

A. **Required/Recommended Textbook(s) and Related Materials**
   Required:

   Basic calculator

   Recommended: N/A

B. **Contact Hours**
   1. **Lecture:** 3 per week / 45 per semester
   2. **Lab:** N/A
   3. **Other:** N/A

C. **Credits**
   1. **Number:** 3
   2. **Type:** Regular degree credits

D. **Catalogue Course Description**
   This course provides students with the principles and format used in creating basic financial statements. Journal entries will be taught so that the student will gain an understanding of the accounting process. Cash reconciliations and financial analysis will enable the student to better understand the importance of accounting in entrepreneurial activities. English Placement Level: EN 095. Math
Placement Level: MA 091. This course is offered in the Fall and Spring semesters.

E. Degree or Certificate Requirements Met by Course
Completion of this course is required for the B.S. in Business Management; the B.S. in Business Management with an Accounting Concentration; A.A. in Business; A.A.S. degrees in Business Administration with an emphasis in Business Management, Hospitality Management, Accounting, and Computer Applications; and the Certificates of Completion in Business Management, Small Business Management, Casino Management, and Hospitality Operations.

F. Course Activities and Design
Lecture, student presentations, Excel homework, and tests will be the primary activities of the course.

4. Course Prerequisite(s); Concurrent Course Enrollment
Prerequisites: N/A
Concurrent Course Enrollment: CS103

Required English/Mathematics Proficiency Level(s)
English Placement Level: EN095
Mathematics Placement Level: MA091

5. Estimated Cost of Course; Instructional Resources Needed
Cost to the Student: Tuition for a 3-credit hour course, cost of the textbook, and any applicable fees.

Cost to the College: Instructor’s salary

Instructional resources needed for this course include: basic calculator, whiteboard, dry erase marker, and overhead projector.

6. Method of Evaluation
Student will be evaluated by periodic quizzes and exams, group participation in problem solving exercises, and practical application project assignments. NMC’s grading and attendance policies will be followed.
