Academic Council Chair  
12.13.2021

Dr. Randy Yates  
Dean of Academic Programs and Services  
Dec 15, 2021
1. **Department**
   Science, Mathematics, Health, and Athletics

2. **Purpose**
   HE 245 will explore one of the top industries of the 21st century—recreation and leisure. As we explore this amazing profession, students will gain an understanding of the many facets of the recreation and leisure field, its impact on both themselves and the community, as well as the professional field of recreation.

3. **Description**

   A. **Required/Recommended Textbook(s) and Related Materials**
      
      **Required:**

      **Recommended:**

   B. **Contact Hours**
      1. **Lecture:** 3 per week / 45 per semester
      2. **Lab:** None
      3. **Other:** None

   C. **Credits**
      1. **Number:** 3
      2. **Type:** Regular Degree Credits

   D. **Catalogue Course Description**
      This course will introduce students to the national education standards set by National Health Education Standards (NHES), the National Association of Sport and Physical Education (NASPE) and the need/importance for teaching and/or incorporating health, nutrition, and physical education in one’s daily life. In addition, this course will provide a broad view of one of the top recreation and leisure industries of the 21st century as recreation and leisure programs can serve all people 24/7/365 and are part of a global economy. Good health is a major community asset in that it leads to a reduced financial burden on the community. An overview of this diverse profession will allow students to explore the many facets of recreation and leisure, gaining an understanding of it and its impact on the world’s economies.
E. Degree or Certificate Requirements Met by Course
   HE 245 is required for a degree in the liberal arts Health & PE emphasis degree. A passing grade of a “C” or higher in this course is required.

F. Course Activities and Design
   This course will offer a variety of lectures and activities as well as career shadowing all of which would apply to the health, recreation, and physical education fields giving students a wide range of experiences.

4. Course Prerequisite(s); Concurrent Course Enrollment
   Prerequisites: HE150

   Concurrent Course Enrollment: None

Required English/Mathematics Proficiency Level(s)
   English Placement Level: EN101

   Mathematics Placement Level: None

5. Estimated Cost of Course; Instructional Resources Needed
   Cost to the Student: Tuition for a 3-credit hour course and cost of the textbook.

   Cost to the College: Instructor’s salary.

   Instructional resources needed for this course include: white board and markers, projector, photocopied materials, wall charts, various sport equipment (balls, cones, stopwatches, whistles) and library books to be identified by the instructor.

6. Method of Evaluation
   Student grades will be based on assignments, projects, exams, and career shadowing. NMC’s grading and attendance policies will be followed.
7. **Course Outline**
   This is a topical outline and does not necessarily indicate the sequence in which the material will be presented.

1.0 **Understanding Nutrition and Diet**
   1.1 Classes of nutrients and food groups
   1.2 Guidelines for dietary health and food packaging labels

2.0 **Staying Physically Fit**
   2.1 Developing fitness programs
   2.2 Components and benefits

3.0 **Preventing and Reducing Diseases**

4.0 **Foundations of Reaction and Leisure**
   4.1 The role that recreation and leisure play in one’s life
   4.2 History of recreation
   4.3 Partnerships with the community
   4.4 Special recreation accessibility

5.0 **Delivering Recreation and Leisure Services**
   5.1 Therapeutic Recreation/Therapeutic Recreation Specialist (TRS)
   5.2 Recreational sports management
   5.3 Health, wellness, and quality of life
   5.4 Outdoor and adventure recreation
   5.5 Arts and culture
   5.6 Challenges and trends for the future

6.0 **The Elementary School Physical Education Program**
   6.1 Physical fitness testing and the President’s Council
   6.2 National Heath Education Standards (NHES)
