Course Guide

Course: MG 300 Business Ethics for the 21st Century

1. Department

School of Business

2. Purpose

This course is designed to provide an analysis and examination of significant contemporary ethical issues and challenges existing throughout the professional business arena. Emphasis will be placed upon the manager's social and environmental responsibilities to a wide variety of stakeholders, including employees, customers, and the public. Ethical dilemmas, decision-making frameworks, and approaches at the personal, organizational, and societal levels will be explored. Student engagement in real-world applications and issues are a critical portion of the course.

3. Description

A. Required/Recommended Textbook(s) and Related Materials
